### Statement of Probable Cause:

At approx. 2:00pm on 10/5/2022, Mr. Thomas Meixner was shot and killed by approx. four 9mm bullets at 1113 E. James E. Rogers Way (Harshbarger Building), Tucson AZ. In the same office at the same time, [REDACTED] was struck and injured by a bullet fragment or spalling caused by a gunshot. He was treated and released at the scene. Murad Dervish was identified in the immediate area of the shooting incident just before the shooting by several people who know Dervish and one had already called 911 to report Dervish's presence in the building. [REDACTED] who knows Dervish, identified Dervish as the shooter. Dervish was expelled from the University of Arizona in February 2022 and is barred from being on University of Arizona property. Dervish has been the subject of several reports of harassment and threats to staff members working at Harshbarger.

Defendant's Name: Murad C. DERVISH Agency Case No. \_\_\_\_\_

Statement of Probable Cause continued:

An email circulated to staff members in February 2022 with Dervish's photograph with instructions to call 911 if he were to return to the building.

Approx three hours after the shooting, Dervish was stopped by police traveling southbound on AZ Highway 85 toward Mexico approx. 30 miles south of Gila Bend. Dervish refused to stop his vehicle for approx. 2-3 miles with police attempting to stop him using lights and siren. He was subsequently stopped using a "PIT" maneuver. A search of Dervish's vehicle revealed a 9mm handgun loaded with ammunition consistent with the approx. 11 shell casings found at the murder scene.

Post-Miranda but prior to questioning, Dervish made the following spontaneous statements, "I hope he's okay, probably wishful thinking.", "I just felt so disrespected by that whole department.", "A woman wouldn't have done this.", and, "I was going to kill myself, shoot myself, but I couldn't."

Justification for Bond Recommendation:

This was a violent and pre-meditated murder, committed by a person who had been banned from the incident location because of his previous threatening behavior and who was the subject of an unrelated Order of Protection prohibiting him from possessing a firearm.
