Community Advisory Board Meeting May 12, 2022

Review and Acceptance of Minutes

March 17, 2022 CAB Meeting

Per Robert's Rules of Order, A formal motion to approve minutes of a previously held meeting is usually not necessary; approval can be handled by unanimous consent.

The Chair should ask: "Are there any corrections to the minutes?" After all corrections have been offered, the Chair then asks: "Are there any further corrections?" If none are offered, then the Chair states: "There being no further corrections, the minutes stand approved as read [or as corrected]."

Jack Gibson Chief Executive Officer

*source: 2010 US Census

Mt. Bigelow Channel 6 TV Transmitter

System has served us well for 20 years

- Power surge damaged Channel 6 main transmitter beyond repair
- UA Risk Management pursuing insurance claim for loss
- Transmitter currently operating at half power with FCC authorization
- New low-power backup transmitted planned
- •New transmitter system will cost \$1.5M+ and will require RFP to purchase, install, and operationalize
- Target installation before Winter 2022
- New transmitter will be ATSC 3.0 Ready

Emerging Technology New Facility Production Reach

AZPM FCC License Renewals for TV

- AZPM TV stations Channel 6 & 27 in Tucson and Channel 20 in Duncan, Arizona will come up for license renewal in November.
- Working with legal and engineering teams to file in June for all three renewals.
- No issues thus far; no issues expected with filing and renewal process.

 8-year FCC broadcast licenses; next renewal will take place in 2030. ATSC 3.0 broadcast license filings targeted for FY25 and FY26, respectively. Current rules indicate that stations must run both ATSC 1.0 (HDTV) and ATSC 3.0 (NextGen TV) in tandem for 5 years.
